

Process phenotypes

Abnormality of P(X)

Abnormality of single process occurrence

Abnormality of P(X) occurrence

Abnormal duration of P(X)

Abnormality of I(P(X)) in P(X)

Abnormality of O(P(X)) in P(X)

Increased duration of P(X)

Decreased duration of P(X)

Decreased amount of I(P(X)) in P(X)

Increased amount of I(P(X)) in P(X)

Decreased amount of O(P(X)) in P(X)

Increased amount of O(P(X)) in P(X)

Abnormality of regulation of process occurrence

Abnormality of P(X) regulation

Abnormal frequency of P(X)

Abnormal onset of P(X)

Decreased frequency of P(X)

Increased frequency of P(X)

Early onset of P(X)

Late onset of P(X)
